THE UNIVERSITY OF MELBOURNE

McKenzie Postdoctoral Fellowships Program

2017 Funding Guidelines

1 INTRODUCTION

1.1 The McKenzie Postdoctoral Fellowships Program is a University of Melbourne scheme. It recognises the enormous contribution made to research and mentoring of young researchers by Professor John McKenzie, both as a professor and later as Dean of Science and as Deputy Vice-Chancellor (Research) of the University.

2 OBJECTIVES

2.1 The objectives of the 2017 Program are to:

- Attract talented, recent doctoral graduates to the University of Melbourne in areas that are a research priority for the University;
- Recruit researchers who have the potential to build and lead interdisciplinary collaborative research activities inside and across Academic Divisions; and
- Promote research that aligns with the initiative Research at Melbourne: Ensuring Excellence and Impact to 2025 (http://research.unimelb.edu.au/__data/assets/pdf_file/0011/1665722/MelbUniResearchVision_Apr2013.pdf) and research themes of the Academic Divisions.

3 FUNDING

3.1 Each Fellowship will be awarded starting at Academic Level A6 in the University Salary Band (currently $84,458 plus a minimum 9.5% superannuation) with an additional single allocation of $25,000 for project costs over the term of the three-year Fellowship.

3.2 This Program does not provide visa or relocation expenses.

4 APPLICANT ELIGIBILITY

4.1 Applicants:

a) Must have been awarded their PhD between 1 January 2014 and 26 September 2016;

or

b) Must have been awarded their PhD on or after 1 January 2012 and had a period of significant research career interruption between 1 January 2014 and 26 September 2016. Applicants should be able to clearly demonstrate that their research career has been significantly

---

1 The date of the award is considered to be the date of the official notification letter. For those applicants attending institutions where no such letter is provided, equivalent evidence that they have graduated or have completed all the required steps to be eligible to graduate with a PhD must be provided to Research, Innovation and Commercialisation.
constrained or interrupted by circumstances such as chronic illness, child bearing, child rearing or other family responsibilities such as primary responsibility for the sustained care of a dependent family member (who may, for example, be elderly, sick or a person with disabilities). Applicants who fit this criterion must answer ‘yes’ at Part B2 of the Application Form and complete Part E of the Application Form.

4.2 Applicants must have graduated or have met the requirements to graduate with a PhD from a university other than the University of Melbourne.

4.3 Applicants must be able to commence their Fellowship no later than 30 June 2017.

4.4 At the time of application, applicants must not hold a continuing or fixed term appointment at the University of Melbourne that is greater than one year. This clause refers to appointments that have been secured following PhD completion.

4.5 An applicant may only ever be awarded one McKenzie Postdoctoral Fellowship.

4.6 An Eligibility Exemption Request (EER) may be submitted to obtain an exemption if:
   a) The applicant’s PhD was awarded prior to 1 January 2014 and there are exceptional extenuating circumstances;
   b) For clarification where the applicant holds an appointment at the University of Melbourne;
   c) The applicant has another candidate eligibility issue due to exceptional circumstances.

   If submitting an EER, applicants must make a compelling argument as to why the exemption request should be approved. Submission of an EER does not guarantee an exemption. RIC will not support EERs for applicants who have undertaken employment or made a decision to follow a different career path prior to 1 January 2014 and/or if the applicant was awarded their PhD ten (10) or more years ago. RIC will not support EERs for applicants who will not be able to provide PhD evidence by the application closing date. Please see Section 6.3 of this document for further information on submitting an EER.

5. APPLICATION ELIGIBILITY

5.1 Applicants may submit a maximum of one application to the 2017 Program.

5.2 All questions must be answered or marked ‘not applicable’. No sections of the Application Form are to be left blank.

5.3 Applicants must adhere strictly to page and word limits in each part of the Application Form.

5.4 All text supplied within an application must meet the following formatting requirements:
   - Typewritten in black;
   - Single column;
   - Minimum 12-point highly legible font (e.g. Helvetica, Times New Roman and Arial). This includes reference lists, figure captions, table captions and table contents. Text within figures may be any font size, but it should be legible for reviewers;
   - Must not include URLs except in reference lists (do not hyperlink URLs in reference lists);
   - Colour may be used in figures, but any labelling must be in black type.
5.5 All documents must be written in English and must comply strictly with the format and submission requirements.

5.6 The application must contain all the information necessary for assessment of the project without the need for explanation or reference to further documentation, including reference to the World Wide Web.

5.7 Applicants must not submit any additional material other than that explicitly requested within the Application Form.

6 APPLICATION PROCESS

6.1 Applicants should review the administrative contact details and any specific requirements of their proposed host Academic Division at http://research.unimelb.edu.au/work-with-us/funding/internal/mckenzie-fellowship under the ‘How to Apply’ section. Any specific requirements for an applicant’s proposed host Academic Division must be adhered to.

6.2 All applicants should establish an academic contact at the University of Melbourne and the academic contact must be listed in Part A2 of the Application Form. Applicants should use the University’s Find an Expert search tool (http://www.findanexpert.unimelb.edu.au/) to find academics in their field, and liaise with the relevant Academic Division administrative contact as to how best to connect with academic staff members.

6.3 All Eligibility Exemption Requests (EERs) must be submitted using the RIC EER Form and be received by RIC by 11:59pm (AEST) Monday 1 August 2016.

6.3.1 The EER Form is available at: http://research.unimelb.edu.au/work-with-us/funding/internal/mckenzie-fellowship, and must be submitted as a single PDF using the filename format ‘McKenzie_2017_SURNAME OF APPLICANT_EER’.

6.3.2 Completed EER Forms must be submitted via email to: Email: mckenzie-application@unimelb.edu.au
Subject: McKenzie 2017 – SURNAME OF APPLICANT – EER

6.3.3 Outcomes of EERs will be provided to applicants by Monday 15 August 2016. Where an EER has been approved, prospective applicants will be invited to submit a full application by the closing date.

6.5 The Application Form consists of 12 parts:
- Part A: Administrative Summary (A1 – A2);
- Part B: Eligibility (B1 – B2);
- Part C: Citizenship/ Residency Status;
- Part D: Academic Record;
- Part E: Career Interruption;
- Part F: Employment and Non-Employment Timeline;
- Part G: Proposed Research Project (G1 – G6);
- Part H: Referee Information;
- Part I: Curriculum Vitae;
6.6 Applications submitted will not be checked by RIC for completeness or eligibility prior to final lodgment; this is the responsibility of the applicant. Ineligible or incomplete applications will be excluded and not considered by the Committees.

6.7 An application may include scanned electronic signatures and applicants may attach separate signature pages for Head of Department/School and Applicant Declarations (Part J).

6.8 Applicants who have an EER approved must answer ‘yes’ at Part B1 of the Application Form.

6.9 Applications for the 2017 McKenzie Postdoctoral Fellowships Program close at 11.59pm (AEST) Monday 26 September 2016. Applications must be a single pdf file using the filename format ‘McKenzie_2017_SURNAME OF APPLICANT’. Applications must be submitted via email to:

   Email: mckenzie-application@unimelb.edu.au
   Subject: McKenzie 2017 – Application – SURNAME OF APPLICANT

   Applicants must ask each of their referees to complete a written testimonial. The referees must submit the written testimonial via email by no later than 11.59pm (AEST) Monday 26 September 2016.

   Email: mckenzie-application@unimelb.edu.au
   Subject: McKenzie 2017 – Confidential Report – SURNAME OF APPLICANT

7 SELECTION CRITERIA

7.1 All applications will be assessed on the following criteria:

a) Proposed Research Project
   This includes its appropriateness to the area in which it would be located; anticipated project outcomes; and how these will make possible strong opportunities for further external funded fellowships or academic employment.

b) Track Record
   This includes an evaluation of the research experience and publication record of the applicant relative to opportunity, as well as the relationship between the research proposed and existing research in their discipline.

c) Contribution to research renewal and development in the University
   This includes how their proposed research will contribute to strategic research directions and broader collaboration and linkages in the University of Melbourne. See: http://research.unimelb.edu.au/our-research/research-at-melbourne.
8 EVALUATION AND ASSESSMENT

8.1 A panel of senior researchers in each Academic Division will review and rank all applications that nominate their Academic Division as the proposed host of the Fellowship.

8.2 Applications ranked by the Academic Divisions will then be assessed on a competitive basis by a Central Selection Committee comprising senior members of the University research community and chaired by the Pro Vice-Chancellor (Research Capability).

10 EMPLOYMENT AND FUNDING CONDITIONS

10.1 Funding Conditions

10.1.1 Fellows will have an appointment of up to three years, with funding provided by Chancellery (Research) as detailed in Section 3 of this document. Funding is contingent upon a satisfactory annual report from the Fellow submitted to the Pro Vice-Chancellor (Research Capability) via RIC. Funding will be provided to the host Academic Division as an annual transfer, with the Fellowship itself to be managed via the relevant department/school.

10.1.2 This Fellowship is intended as a full-time University of Melbourne research Fellowship. Fellows may not hold additional appointments or remuneration that imposes commitments that conflict with the full time Fellowship. Candidates may undertake a small amount of teaching and research supervision specifically related to the research they are engaged in, but they are not permitted to take on a formal teaching responsibility for their department.
10.1.3 It is the intent of the Fellowship Program that Fellows will actively make a contribution to collaboration and research building in the University. Fellows cannot spend more than six months of the duration of the Fellowship overseas and/or away from the University of Melbourne except where extensive fieldwork is required for the purposes of the research and only with the explicit prior approval of their head of department. Fellows should refer requests to work on their research away from the University to their Head of Department/School, and provide information on this in their annual report.

10.1.4 McKenzie Fellows will be employed by the University of Melbourne, and be responsible to their host Academic Division. Once accepted, Fellowships are transferred to the host Academic Division and any further questions relating to funding opportunities or reimbursement need to be taken up with the Academic Division concerned. Any additional requests for reimbursement that do not form part of this Program should be referred to the host Academic Division.

10.1.5 McKenzie Fellowships can be undertaken at the Florey Institute of Neuroscience and Mental Health or the Bionics Institute, provided that the Fellow is employed at a budget department of the Faculty of Medicine, Dentistry and Health Sciences (i.e. not the Medical Research Institute itself).

10.1.6 McKenzie Fellowships cannot be held in other affiliated institutes of the University of Melbourne. However, with the approval of the Head of the employing Department or School, the Fellow may perform a portion of their research in these affiliated institutes of the University.

10.1.7 Continuation of the award into the second and third years is dependent on the Fellow having demonstrated satisfactory progress. This will be determined by the Head of Department/School and documented in a progress report submitted to the Pro Vice-Chancellor (Research Capability) prior to the anniversary of the start date of each award. McKenzie Fellows are expected to demonstrate a building and excellent body of research achievement, and also to demonstrate active exploration of and engagement in broader research linkages in the University.

10.1.8 McKenzie Fellows who apply for and are successful in gaining externally funded fellowships prior to the end of the appointment of the McKenzie Fellowship are able to retain the $25,000 for project costs for the full three years. The salary component of the McKenzie Fellowship will cease.

10.1.9 RIC, on behalf of Research (Chancellery), reserves the right to reclaim any remaining funds at the cessation and or completion of the Fellowship.

10.2 Visas and Relocation Expenses

10.2.1 It is the responsibility of Fellows to apply for and satisfy the requirements for the issue of an appropriate entry visa to Australia. The offer of a Fellowship does not guarantee the granting of a visa and is conditional upon gaining a visa. Any costs associated with obtaining the visa and any relocation expenses are the responsibility of the Award Holder.

10.3 Period of Appointment

10.3.1 Fellows will be appointed for up to three years full-time. Fellows must take up the Fellowship no later than June 30 2017. The Head of Department or School must approve the commencement date.

10.4 Leave
In the case of parental leave being taken during the Fellowship, the completion date of the Fellowship will be extended by the length of the parental leave taken. Fellows should advise both their Academic Division and RIC when parental leave is approved. It is the responsibility of the Fellow to liaise with their Head of Department or School and local Human Resources contact to ensure their employment contract is modified accordingly.

Any additional costs associated with a variation of the Fellow’s employment contract are the responsibility of the Academic Division and/or host Department/School.

10.5 **Responsibilities and Reporting Requirements**

10.5.1 Fellows will report to their Head of Department or School.

10.5.2 Annual Progress Reports

Fellows are required to submit an annual progress report for the first two (2) years of their Fellowship (i.e. one report at the end of their first year and one report at the end of their second year). A *pro forma* for the progress report can be found on the following webpage: [http://research.unimelb.edu.au/work-with-us/funding/internal/manage-your-grant](http://research.unimelb.edu.au/work-with-us/funding/internal/manage-your-grant).

Progress reports should be submitted electronically to the Pro Vice-Chancellor (Research Capability) via RIC (mckenzie-application@unimelb.edu.au). Progress reports should be submitted one (1) month prior to the annual anniversary of the Fellow’s start date.

10.5.3 Final Report and Financial Acquittal Report

Fellows are required to submit a Final Report within three months of completing their Fellowship. A *pro forma* for the final report can be found on the following webpage: [http://research.unimelb.edu.au/work-with-us/funding/internal/manage-your-grant](http://research.unimelb.edu.au/work-with-us/funding/internal/manage-your-grant).

Fellows are also required to submit a financial acquittal report within three months of completing their Fellowship. Any unspent central funds remaining at the conclusion of the Fellowship must be relinquished.

11 **Administrative Contact**

11.1 All administrative enquiries for the scheme should be directed via email to mckenzie-application@unimelb.edu.au.
