

# DISABILITY RESEARCH INITIATIVE GRANTS 2016

## APPLICATION FORM

*Before completing this form, applicants are advised to read the Guidelines for Applicants, which contains details of the scheme, staff eligibility and the selection process.*

*Applications Close 12noon on Friday 17 June 2016*

### 1. ADMINISTRATIVE DETAILS

#### 1.1. Project Title

--

#### 1.2. Co-ordinating Investigator

(Please refer to relevant Guidelines for eligibility – attach 1 page CV)

<b>Name</b>	
<b>Department/School</b>	
<b>Faculty</b>	
<b>Email</b>	
<b>Phone</b>	

#### 1.3. Team Members

1.3.1. List the UoM investigators who will be involved in the project. Add additional rows, if needed. Attach a one-page CV for each researcher

Name, Title and Email Address	Project Role and FTE contribution	Department or School	Faculty	Early Career Researcher Y/N

- 1.3.2. List any external collaborators involved in the project. Add additional rows, if needed.  
 Note: The inclusion of external collaborators is not a requirement of this scheme.  
**Please attach a Letter of Support from the external collaborator for any organisations listed here.**

Name and Email Address	Job Title	Organisation	Project Role and FTE contribution	LoS attached

#### 1.4. Field of Research (FoR) codes

Please indicate at least two Field of Research (FoR) codes to a six digit level involved in this project. Refer <http://mro.unimelb.edu.au/content/fields-research>

FoR 1	FoR 2	FoR 3	FoR 4

#### 1.5. Short Description of Project

Please identify up to five key words or phrases to describe your project:

- 1)
- 2)
- 3)
- 4)
- 5)

#### 1.6. Financial Details

<b>Amount applied for</b>	\$
<b>Administering Faculty</b>	
<b>Faculty finance officer details:</b>	
<b>Name:</b>	
<b>Phone:</b>	
<b>Email:</b>	

#### 1.7. Other Funding

Please provide details of any other internal or external funding support provided or sought for the proposed project in the last 12 months.

Name of scheme	\$ value requested	Successful Y/N	How does the proposed activity differ from that previously requested?

### 1.8. Certification by Co-ordinating Investigator

In submitting this application, the Co-ordinating Investigator affirms that:

- The Co-ordinating Investigator bears full responsibility for the conduct of the activity.
- The Co-ordinating Investigator holds a salaried academic appointment at the University of Melbourne of at least 0.5 EFT for the duration of the project and the reporting period (September 2017).
- The requested funds do not duplicate a project activity supported by another current internal University grant, external grant or research contract.
- All project team members have consulted appropriately with their Heads and/or Deans and all have the time and basic infrastructure resources to pursue the project concerned within the context of existing research, teaching and higher degree supervision responsibilities.
- If non-UoM team members are included in the project team, that intellectual property issues have been discussed and agreed, with appropriate agreements in place, if applicable.

## 2. PROPOSED PROJECT

### 2.1. Project Summary

Please provide a brief summary of the project to be used on the DRI website should the proposal be successful. (100 words maximum)

### 2.2. Project aims, rationale and methodology

Please describe the project aims, rationale and methodology. Explain how the project is innovative in relation to at least one of the following: methodology and design; area of focus; conceptual approach and analysis; potential impact and engagement. (800 words maximum)

### 2.3. Project Alignment with DRI

Please outline how the proposed project aligns with the rights-based research goals of the DRI. Please identify the specific rights that the project will address. (200 words maximum)

### 2.4. Project Sustainability

Please describe potential future funding from large granting bodies. Explain the project's proposed timeline for seeking such funding and what makes this project competitive for such funding. (200 words maximum)

### 2.5. Interdisciplinary Investigation

Please describe the complementary roles of the investigators and provide a rationale for the proposed interdisciplinary approach. (400 words maximum)

### 2.6. Research schedule

Month/time	Activity	Description of key deliverables

## 2.7. Expected Outcomes

Please describe the expected outcomes arising from the project and how these outcomes will be achieved. (200 words maximum)

## 2.8. Proposed Strategy

Please outline your proposed strategy for the communication, dissemination and translation of project outcomes. Please include information about how you will ensure your findings are accessible to the disability community. (200 words maximum)

## 2.9. Proposed Budget

Budget Item and Justification	Cash cost (incl. GST)
	\$
	\$
	\$
TOTAL	\$

*It is the applicant's responsibility to ensure that all cost items are correctly budgeted. Further funds will not be provided for cost over-runs or inadequately budgeted items.*

## 2.10. Other contributions

If applicable, please describe and quantify any in kind contributions from non-UoM team members/organisations.

Description	\$ Value
	\$
	\$
TOTAL	\$
